National Qualification Authority

ADVERTISEMENT

The National Qualification Authority announces the open call for the application of experts with special service agreements to join the expert panels in undertaking activities to verify occupational standards in:

Consultancy sector:

- **Management consultant.**

Construction sector:

- **Operators of earthmoving equipment and the like**
- **Operators of tipper trucks**
- **Operators of cranes and lifting equipment and the like**

Passenger Transport sector:

- **Vehicle, taxi and van drivers**

Candidates should fulfill the following criteria:

- Possess adequate qualification in higher education;
- To be qualified and have professional experience of, at least, 10 in respective fields;
- To have at least 5 years of experience in education, management or similar fields;
- To have attended trainings on assessment, curricula development and program development;
- To have good knowledge of information technology.

Duties and responsibilities:

- The selected experts shall conclude a confidential contract with NQA,
- Analyze the applications and all the documentation of VET providers for accreditation of institutions,
- Carry out field visits,
- Cooperate with other members of the panel, discuss and harmonize their viewpoints,
- Contribute to the preparation of a report defining the findings and recommendations related to the accreditation of the institutions,
- Report to the Director of the NQA.

All interested individuals who fulfill the criteria are encouraged to submit the following documents:

- CV in Europass format;
- Diplomas and certificates;
- References.

Documents which do not fulfill the above-mentioned conditions and criteria will not be taken into consideration.

Application is made only in electronic format to **donjeta.nimani@rks-gov.net**.
