

## **State of Qatar Program for Scholarships**

State of Qatar has the honor to announce that according to the strategy of “State of Qatar Program for Scholarships” that supports the State of Qatar’s efforts as an effective contributor of the United Nations Organization on the sustainable development objectives (high quality education), the Qatar Fund for Development and Doha Institute for Graduates Studies have signed a partnership agreement to offer scholarships for incoming international students that intend to study in the State of Qatar in the Fall 2020. The Qatar Fund for Development has also signed partnership agreement with the Center of Arabic Language and at the University of Qatar for scholarship to non-native Arabic students that intend to enroll in academic year 2020-2021.

In the first phase, the international student should first apply for acceptance at the official website of Doha Institute for Graduate Studies and The Center of Arabic Language at the University of Qatar. In the second phase, once the international student is accepted and registered, he should contact the Acceptance Department to express his wish to apply for the “State of Qatar Program for Scholarships”.

For more details and coordination, please contact the Officer for Communication at each institution:
