Notification Regarding Stipendium Hungaricum Scholarship Application Status

Dear applicants,

Following a thorough review of the applications received for the Stipendium Hungaricum scholarships for the academic year 2024/2025, we would like to inform you that, unlike previous years, all candidates have been nominated this year, except for those who were rejected during the initial technical check conducted in Hungary by the Stipendium Hungaricum.

The list of candidates rejected during the first technical check is as follows:

Applicant ID 837812
Applicant ID 1151314
Applicant ID 1231341
Applicant ID 1377022

For those nominated, we kindly request you to regularly check your emails for updates on the next steps in the process. Additionally, candidates who have not completed their documents during the application phase (uploaded statements instead) are urged to do so promptly, adhering to the specified deadlines.

The next expectation in the process is that the universities in Hungary will evaluate nominated candidates. We recommend that you closely follow the guidelines provided by universities/Stipendium Hungaricum for a smooth and successful evaluation process.

We wish you a great success.

Best regards,
MESTI Team
